

Reading Challenge: May 2-31

Imagine a world in which all children can see themselves in the pages of a book.

Read a diverse book and discover new characters and stories that invite you to explore the world! Share what you learned with family and friends.

The Challenge: Read a book that has the “We Need Diverse Books” label on the cover, then write a review and/or draw a picture on the reverse side of this sheet. Turn in this completed entry form to Onondaga Free Library to receive a prize! **One entry per child.**

**Entries must be returned to Onondaga Free Library in person for prize pickup (we can accommodate curbside contact-free submission).*

**Last day to turn in an entry form and claim a prize is Friday, June 3rd.*

For students in grades K-12.
