VI. Old Business
In regards to the school budget levy for 2021 budget, Casey and Rob suggested requesting a 3% increase. This will help to compensate for the $70,000 loss. Gary motioned to approve the 3% increase at a total amount of $9,360. Amy seconded. Carried.

VII. New Business
Based on Governor Cuomo’s new announcement about zoning, the staff plans on re-opening on Monday, February 8. The goal is to allow patrons inside for limited visits. Patrons interested in visiting the library would be allotted staggered, one-hour
appointments. Contact tracing protocols would only apply to people using the facilities for up to an hour. Pick-up visits would not require contact tracing information. Building occupancy limits have never been hit. The staff plans to continue hours of 10 to 5 on Monday, Tuesday, Thursday and Friday; 10-8:30 on Wednesday; 10 to 2 on Saturday. The plan is to add hours as needed rather than to take them away. Part-time employees have been losing some hours due to this modified schedule and their availability. Full-time employees have been able to accommodate their hours. Gary made a motion to approve this reopening plan. Colleen seconded. Carried. Susan will send out a letter to patrons about re-opening.

Susan and the rest of the staff are concerned about mask protocols. Susan requested permission to update the Code of Conduct with language including consequences for refusal to correctly wear a mask. The board fully supports this.

The library attorney believes that the library qualifies for a PPP loan. We are asking for 2.5 times payroll, which is about $80,000. Casey made a motion to move forward with the loan. Gary seconded. Carried.

At our annual meeting, there will be open officer slots for Vice President and Secretary. New terms begin on March 24. Susan’s annual review is coming up in February. Casey has offered to conduct a review again. Colleen will assist him with the review process.
